

## Appeal to President Mnangagwa to withdraw Chinese mining concessions for Hwange National Park

6 September 2020

Blessing Munyenyiwa sends out a heartfelt appeal to President Mnangagwa on behalf of the Hwange Stakeholders and all children of the soil of Zimbabwe to prevent mining of any form taking place in Hwange National Park and all national parks in Zimbabwe.

The iconic Hwange National Park is the largest in Zimbabwe, boasting one of the most diverse arrays of flora and fauna in the world. It is not only a natural heritage for all Zimbabweans, but a natural heritage for the world. It is one of the top tourist destinations in Zimbabwe and is located in close proximity to the world-renowned Victoria Falls.

Please share far and wide and show support for this appeal by posting your stories and memories of Hwange National Park on this page. We kindly request you focus on reasons why this National Park should be protected and preserved and refrain from comments which could be detrimental to the on the ground efforts to protect Hwange for future generations to come.
